

The background of the advertisement is a high-quality photograph of various surgical instruments. In the upper left, three long-handled instruments with green, purple, and red handles are arranged diagonally. In the center, a fan of approximately ten stainless steel hemostats is displayed. To the right, several pairs of surgical forceps and scissors are scattered. In the upper right, a white plastic instrument tray with a blue perforated pattern is visible. The entire scene is set against a clean, white background.
